Trash & recycling bins emptied, lids cleaned								
Dish machine: check wash/rinse temp or sanitizer								
Sanitizer buckets changed & concentration tested (ppm)								
Restrooms								
Walk-in floor & shelving (weekly)								
Hood filters (weekly)								
Ice machine interior (monthly or per maker)								
Behind/under equipment (monthly)								

Rules: FDA Food Code 2022 (same limits in the 2026 edition) §4-602.11, §4-302.14, §4-501.114. Not legal advice; your local health department's rules apply and may be stricter.
Keep completed logs for as long as your health department requires - ask your inspector how long that is.
